Forklift Kit
HEAVY-DUTY 10,000 lbs. CAPACITY

Service forklifts safely with less downtime
Rotary Lift makes it easy to service fork lifts using two MCH18 columns. The portable, open platform design easily attaches to the base of the two columns giving the clearance needed to safely raise fork lifts with a capacity of 10,000 lbs.

Service Motors, Axles, Wheels, Tanks, Hoses, Drive Trains, and more!

Optional Accessories
- LED Lighting
  High-efficiency service lamps with single touch operation
- Weight Gauge
  Know what you are lifting instantly with this gauge
- Drive-Through Ramps
  Converts ramp kit to a drive-through operation
